The Society was formed in 1968 by people who care for Kelvedon, Feering and the surrounding area. It aims to secure our heritage through conservation, protection and improvement by safeguarding the best of the past and ensuring that whatever is added in the future enhances the villages in which we live.

Our Committee meets every six to eight weeks in Kelvedon to examine any issues brought to the Society's attention under the following broad headings:

Listed Buildings - New Developments - Open Spaces  
Planning Matters - Environmental and Ecological Issues  
Archaeological and Heritage Concerns

In addition, we have a programme of talks and social events (see opposite page) and publish a quarterly Bulletin which is free to all members and delivered to your door.
